Le jeu des oeufs

Plastifiez les différentes feuilles et découpez les cases “mots” et les oeufs.

Il s’agira de reconstituer les mots en plaçant les oeufs dans les paniers.

Ce jeu vous est offert par DidactÉcole - www.didactecole.eu

En cette période de confinement, retrouvez tous les jeux en téléchargements gratuits sur le site www.didactecole.eu

Je vous souhaite le meilleur.
Prenez bien soin de vous et de vos proches.
